The Kinmount & Area Artisans Guild & Marketplace provides space for our members to display and sell their art or craft all year.

The Marketplace will be open for you to view the multitude of items by members of the Guild, for gift giving or your own pleasure and enjoyment.

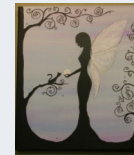

As well, there will be two Artists in Residence, Liz Feyerabend & Cy Williams, demonstrating their work. **You'll find us under the red roof in the lower level of the Kinmount Community Centre, just west of the Main Street, on City Road 45.**

Self taught artist Liz captures the unseen mysticism that exists in nature, fairy tales and everyday life.

Her paintings are magical works of form and colour, loved by young and old alike.

Liz is showing her art and demonstrating her painting at the Artisans Marketplace.

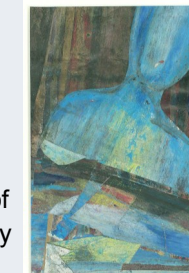

### E - Cy Williams

After graduating from the University of Toronto's Fine Art Studio Program, Cy has continued to hone his skills & artistic vision as an abstract expressionist through his mixed media paintings. Using complex layers of line, colour & texture to capture both the hauntingly beautiful and the fantastically sublime, Cy's work never ceases to amaze. **Cy joins Liz at the Artisans Marketplace.**
