## Friends and Neighbours: Newcastle

Newcastle is located in Darlington Township in the County of Durham. Like many other settlements along the north shore of Lake Ontario, it began as two settlements. The inland settlement was started as an inn/tavern complex at a crossroads a few miles back from the lake shore. It was called Crandall's Corners after the inn keeper who first opened a tavern in 1835. In 1839, a harbor-community called Port Bond Head was founded on a small harbor at the lake. In 1851 the two communities, only a few miles apart, were amalgamated as the Village of Newcastle. The last name was borrowed from a famous town in England (literally the new castle).

The village was located on the pioneer Danforth Road and the arrival of the Grand Trunk Railway in 1856 further cemented the village as a local centre for farmers in the area. Inland villages such as Hampton, Orono, Kirby and other smaller settlements to the north funneled their business through Newcastle. The little port also became the outlet for the inland townships of Manvers and Cartwright. The area was famous for its flour and numerous grist mills operated on the creeks draining into Lake Ontario from the Oak Ridges Moraine.

In the mid-1800s, several large industries opened in the village of Newcastle. A large woolen mill served the farmers in the area. Northrop and Lyman opened a large patent medicine factory; but most importantly Daniel Massey, a local farmer, started a famous foundry in the village. As a young man, Daniel Massey visited the

USA where he was impressed with American farm machinery. He returned home and began a foundry (1847) in the village of Newcastle. The first machines were assembled using American parts, but soon the Massey Machinery company was turning out Canadian farm machinery for the local market. With increasing demand, the Newcastle business soon expanded to 11 acres and grew by leaps and bounds. In fact it soon outgrew the village of Newcastle, and in 1879 Hart Massey moved the factory to Toronto. It quickly became Toronto's largest industry and Massey machinery dominated the Canadian market. Sir John A Macdonald brought in the National Policy in 1879, placing large tariffs on the American farm machinery giants such as McCormick and John Deere, leaving the expanding Canadian market wide open for the Massey Company. In 1891, it merged with the A Harris Company to create Massey-Harris. When tractors came along, the company produced the famous Massey-Ferguson tractor line. By 1900, the Massey-Harris Farm Machinery Company was the largest machinery company in the British Empire. The company bought out companies in the USA, Australia, Italy, Spain and Argentina to become a true multi-national operation. In fact, since 1962 Massey-Ferguson Tractors were the best-selling tractors in the world. Currently, there are more Massey-Ferguson tractors world-wide than any other brand!

In 1980s, the Massey Company was bought out by various corporations and the famous name was removed. Today the company still operates as the Lucas-Varity Company.

And it all started

with a small foundry in downtown Newcastle.

With the loss of its major factories in the late 1800s, the town of Newcastle began a decline. The population fell from 1,500 to less than 1,000. It still served as a farm centre for local products such as apples. Algoma Orchards, one of the largest apple producers in Canada, has its headquarters in Newcastle. The community's location at the junction of 401 Highway and Highway 115 made it a major transportation hub. In 1994 the village of Newcastle and the township of Clarke were amalga-

mated into the Municipality of Clarington with the Township of Darlington and the Town of Bowmanville.

## Ivy Alberta Gilmour, by Janice Stange

Ivy Alberta Gilmour was born on June 15 1893 to Albert and Elizabeth Gilmour. She was likely given the middle name of Alberta for her father, Albert. She experienced the births and deaths of 3 of her siblings and the death of her father before she reached the age of 5. When her father died, Ivy, her mother and her older sister, Myrtle, were left alone. After Albert's passing, Elizabeth, Ivy's mom, took the train to Lindsay to learn tailoring and dressmaking, which she turned into a thriving business and was able to send Ivy to the Peterborough Normal School in 1912, and to buy a house in 1915.

Ivy attended the Kinmount School until 1908, until age 15. She began her teaching career in 1911 after graduating from Continuation School in Lindsay. At the time, she would have a temporary (3rd class) teaching certificate. After two years teaching at Miner's Bay and Irondale, she attended Peterborough Normal School to acquire a 2nd class teaching certificate. After graduation, her teaching career was off and running. Between 1913 and 1962 Ivy taught at the following schools:

1913-1920 SS #3 Somerville (Kinmount)

1922 – Bobcaygeon

1922 – Jan – April Kinmount

1922 – April – June Cameron

1922 – 1935 – Fenelon Falls

1935 – 1936 – Kinmount

1936 – 1938 – Fenelon Falls

1938-1962 – Kinmount

According to her record, she was in Lindsay for 3 years, she then taught in 2 schools before she went to the Peterborough Normal School in 1912/1913. She returned to teach at Kinmount for 7 years, then taught at a few other schools, before returning to finish her career in Kinmount in 1962. That's more than 50 years of teaching, with 33 years teaching Kinmount kids!

Ivy was a well-loved teacher and was referred to as 'a kind

and patient friend' in a thank-you letter from students at Fell's School in 1935. They gifted her with a serving tray, as a token of their esteem.

She was involved in many organizations in Kinmount, serving her community tirelessly. For many years she was secretary for the Kinmount Fair. This earned her recognition in the form of the 'Coronation Medal 1953', which was presented to worthy community members. As was common for teachers in this era, Ivy never married. She was committed to her career and followed the protocol.

She taught until she fell ill in December 1962, and she passed away on September 29 1963. She is buried with her sister Myrtle and Myrtle's husband David Pollard in the Kinmount Cemetery.

The house (4983 Monck Rd. Kinmount) that Ivy's mother bought in 1915, and that Ivy lived in for 48 years is being restored by family and was designated historical in 2008.

**Three Brother's Falls**

The mighty Burnt River cuts a large swath through the geography of Kinmount and also through the folklore of the area. One of the sites worth seeing on the River is the Three Brothers Falls, located a few miles upstream (north) of the village. Here the Burnt River tumbles over 3 distinct ledges of rock. Just above the Falls, the 3 branches of the Burnt River join into the main river. The Drag River drains the area around Haliburton Village, Kashagawigamog Lake and up to its headwaters at Drag Lake. The Centre or Burnt branch comes out of Koshlong Lake. The Iron-dale branch drains the southern part of Haliburton County starting from Farquhar Lake above Wilberforce. After amalgamating, the combined waters boil over the Three Brothers Falls on their way to Cameron Lake and the Trent River system.

The Falls have always been an attraction. The earliest legends mention a story about an Indian princess, who denied her choice of husbands by her father, plunged over the Falls in a canoe, never to be seen again. Her ghost is said to haunt the Falls.

The river drivers found the Falls challenging as their log drives were tossed by the three obstacles. It was observed

that 3 lonely graves on the north-west shore marked the spot where 3 unlucky river drivers took their last rest. This was not a big number of graves, by Haliburton standards. Other waterfalls boasted larger cemeteries!

The earliest surveyor allowed 200 acres on the south shore of the Burnt River as a mill reserve. Despite the promise of unlimited water power, no record exists of any water powered sawmill at the Falls. It was rather isolated from a main road, and better sites were plentiful in the area. But as a tourist spot, the Falls were famous. Numerous early photographs were taken at the site. This article features photos of an outing to Three Brothers Falls circa 1900-1914. Tourists likely came by canoe as several shots were from the water. But they did bring their camera along to record the event for posterity!

Did you know almost all waterfalls have a hidden doorway somewhere behind the curtain of falling water? The doorway is not always at the base, it can be halfway up too.

## Councillor's Corner by Gord Miller

Hi Everyone :) I hope you all had a wonderful September and stayed relatively cool given the well above-average temperatures we have been treated to.

October is one of my favourite months with it's transitional tone and mandate to prepare us for the next step. Beautiful colours, fresh temperatures, and long walks in the sun are a wonderful way to merge into the next season.

Here are some clever and/or meaningful quotes about the tenth month...

"I'm so glad that I live in a world that has an October" - Lucy Maud Montgomery

"Autumn is a second spring when every leaf is a flower" - Unknown  
"In October, a maple tree before your window lights up your room like a great lamp. Even on cloudy days, its presence helps to dispel the gloom." - John Burroughs  
Best to all of you until next month.

Gord

## SAGES Program now at Galway Hall

Seniors Active Living Program has added a new location at Galway Hall.

Staying active is a key factor when it comes to healthy aging. Community Care Health and Care Network is continuing to help seniors accomplish this courtesy of the Sage Advice and Gentle Exercise for Seniors (SAGES) program.

SAGES is a video based program designed to keep older adults functionally fit. The sessions focus on improving cardiovascular endurance, balance, muscle strength and flexibility. This can help older adults complete daily activities such as climbing stairs, getting out of a chair and bending down.

The exercises are appropriate for older adults operating at different levels of fitness and capability. The new Kinmount program runs every Tuesday from 9 am to 10 am starting Tuesday Oct. 2.

For more information visit [www.ccckl.ca](http://www.ccckl.ca) or call 705-324-7323.

## The Hot Stove Leak *by Lynne Kilby*

Oh what a feeling! It happened almost instantly the moment I laid eyes on her. I recently had the pleasure of meeting my cousin Jackie from England for the very first time. Funny how the bond of family can be so strong. We spent a fabulous day together making a precious memory. We poured over family photos and history over tea. Then, after a tour of Kinmount which she totally loved, we went to my most favourite place in the world, Haliburton Lake. Growing up as a child, my family had a cottage there. I still have access to the cottage as it is owned by family friends. Jackie listened to my tales as I reminisced about family times. The hours passed by so quickly and I found I didn't want our day to end. Our parting of the ways was such sweet sorrow, knowing I may never see her again, but I sure hope I do! I love her. She is my blood.

And so this Thanksgiving, I am thankful that I was blessed with that special day. It was one I will cherish forever. What are you thankful for?

Hope to see you around town at our many upcoming events. Keep smiling and please keep sharing your news and information in the Hot Stove Leak! Contact me at 705-488-2919 or [lynne.kilby@sympatico.ca](mailto:lynne.kilby@sympatico.ca).

Happy Thanksgiving! Happy Halloween!

Come, look with me  
inside this drawer,  
In this box I've often seen,  
At the pictures, black and white,  
Faces proud, still, serene.  
  
I wish I knew the people;  
These strangers in the box,  
Their names and all their memories  
Are lost among my socks.  
  
I wonder what their lives were like.  
How did they spend their days?  
What about their special times?  
I'll never know their ways.  
  
If only someone had taken time  
To tell who, what, where, when,  
These faces of my heritage  
Would come to life again.  
  
Could this become the fate  
Of the pictures we take today?  
The faces and the memories  
Someday to be tossed away?  
  
Make time to save your pictures,  
Seize the opportunity when it knocks,  
Or someday you and yours could be  
The strangers in the box

## Fall, Leaves, Fall by Emily Bronte

Fall, leaves, fall; die, flow-  
ers, away;  
Lengthen night and shorten  
day;  
Every leaf speaks bliss to  
me  
Fluttering from the autumn  
tree.

I shall smile when wreaths  
of snow  
Blossom where the rose  
should grow;  
I shall sing when night's  
decay  
Ushers in a drearier day.

Emily Jane Brontë , 1818 - 1848, was an English novelist and poet who is best known for her only novel, Wuthering Heights, now considered a classic of English literature. Emily was the third-eldest of the four surviving Brontë siblings, between the youngest Anne and her brother Branwell. Seems like Emily loved winter!

The Galwegians, by Bill Lee

The Galway Hall Board met in September and covered many topics. This Board continues to upgrade our facility. Motions were passed to improve our signs that show upcoming events at the Galway Hall. The Hall is also looking to improve our hall sound system. Possible solutions for our aging dishwasher are also being investigated. Successful fundraisers allow our Board to continue to make improvements to the Galway Hall. Speaking of fundraisers, organizing and planning for our annual Turkey Supper have begun. This major fundraising event requires many volunteers to make it a success. Did you know that over thirty positions need to be filled for this supper? Galway Hall is your community centre. Help keep Galway Hall the “heart” of Galway Township by becoming a volunteer. Contact Bill at 705 488-2625 to become part of the team. As the school year is now in full swing, this is a reminder that any local secondary school student can obtain community hours by volunteering at the Hall. Galway Hall was the venue for a very well-attended ‘All Candidates’ meeting September 9<sup>th</sup>. Hall volunteers prepared and served a roast beef dinner for Community Care on September 19<sup>th</sup>. Tai Chi held an open house at the Hall on September 13<sup>th</sup>. Community Care, City of Kawartha

Lakes, offers the “Sages” program at Galway Hall beginning October 2<sup>nd</sup> with a start time of 10 a.m. The program runs every Tuesday until May. Circle the date for the Turkey Supper! Saturday, November 3<sup>rd</sup> from 4:30 - 7. “Friends of Galway” held their autumnal equinox meeting at the Galway Hall on September 21<sup>st</sup>. The topic for was the stores of Galway. This was a working meeting. Participants shared stories and antidotes about the various stores. Stores that were discussed included Baxters, Crowsnest, Crystal Lake Marina, Crystal Lake Trading Post, Dettmans, Pearsons, Pinehaven, and Toms. Any Gazette readers that have stories and/or pictures of any of these stores are encouraged to share them with FOG. As time keeps rolling on, it becomes very important to gather and record these parts of our local history. FOG’s mission is to bring the Past to the Present for Future generations. Become a part of this mission. Tell your stories so future generations can enjoy them. FOG’s winter solstice meeting is at the Galway Hall on Friday, December 14<sup>th</sup>. This is our pot-luck supper and it begins at 5:30 p.m.

Happy Thanksgiving! May you be fortunate enough to spend time with family and friends.

**Roast Chicken with Bread Stuffing and Gravy**  
– 6 servings

Stuffing  
2 tbsp butter  
1 small onion, chopped  
1 rib celery, chopped  
4 cups stale bread cubes  
1/2 tsp dried sage or poultry seasoning  
1/2 cup milk  
1/2 tsp salt, 1/4 tsp pepper  
1 3 lb (1.5 kg) chicken  
Gravy  
1/3 cup water  
2 tbsp butter  
3 tbsp flour  
3/4 cups juice from chicken or stock  
3/4 cup milk  
salt and pepper to taste  
To make stuffing, heat butter in a small skillet. Add onion and celery. Cook 3-4 mins. Combine with bread cubes. Add sage, milk, salt and pepper. Cool mixture. Spoon stuffing loosely into the cavity of the chicken. (If there is any extra, bake separately in a baking dish covered in foil). Place chicken, breast side up, in a roasting pan. Sprinkle with salt and pepper. Roast, uncovered, in a pre-heated 350F oven for 1 1/2 hours or until thoroughly cooked. Baste chicken every 20 mins. with pan juices. Remove chicken from pan. Remove stuffing from chicken. Keep warm separately. For the gravy, add water to pan and scrape off any bits from the bottom. Reserve juices. Melt butter in a small saucepan. Stir in flour. Cook 3-4 min. until lightly browned. Whisk in reserved juices or stock and milk. Bring to a boil. Cook approx 5 min. until mixture thickens. Season with salt and pepper to taste. Slice chicken to serve.

**Mashed Potatoes with Garlic**  
4 Yukon Gold or Russet potatoes (about 2 lb), peeled  
6 garlic cloves, peeled  
1/4 cup skim milk

Cut potatoes into 1 1/2” cubes. Place potatoes and garlic in medium saucepan; add enough water to cover. Bring to a boil. Cover for 10-15 mins or until potatoes are tender. Drain; mash with potato masher until smooth. In small saucepan, heat milk over medium heat for 1-2 minutes or until not. Add milk, sour cream, oil and salt to potatoes; mix well.

## In the Lions Den *by Brittany Gautreau*

Time flies when you're having fun. I guess everyone in our community can attest to that. Summer is gone, kids are back at school and fall is here. It's time to get back on track and look towards Thanksgiving and Christmas. For many the Kinmount Fair is the Grand Final of Summer. Congrats to our Citizen of the Year 2018 /19 Sue Pearson. Well deserved!! Hopefully you've seen the sculpted bench the Kinmount Lions are selling tickets on. There are many other prizes to be

won. Tickets are \$5 each or three for \$10. The draw is Monday October 8 at 1 p.m. at the Kinmount Legion parking lot. Winners of our annual Super Draw will be published in November's Gazette or connect with us on Facebook. We meet the first and third Tuesday monthly in the lower level of the Kinmount Library at 7 p.m. We are always looking for new ideas and helping hands. Contact Lion Chris at 705 488 2114.

## The Library Link *by Mary Ann Dobsi*

It is always great to take a moment to reflect on what you are thankful for. Thanksgiving surely reminds us of this. I just want to thank all the patrons who continually borrow books, use the WIFI, use the public computers, download books, attend programs, help with programs, visit the book sale, donate to the book sale, donate to the library, help with the garden and book sales, and so much more. Without you, there wouldn't be a library.

The book I want to highlight this month goes right along with being thankful for the library. Bunny's Book Club by Annie Silvestro is a children's book with a very curious bunny listening to the librarian read stories outside to the children, during summer holidays. When fall starts, bunny has to get inside. He is devastated the stories have stopped outside. He finds the book drop and with some struggle, climbs into it, to discover the

world of books. He is so thrilled, he takes books home. As the story goes, other animals are very curious why bunny isn't visiting them. As each animal appears at his door, bunny introduces them to books. Soon, he has a houseful of animals reading their favourites. The greatest adventure is still yet to come when bunny takes his friends to the library; each of them trying to fit in the drop box.

Things to remember this month are: EARLYON visits the 2<sup>nd</sup> & 4<sup>th</sup> Tuesday and the Children's After School Program is Tuesday October 16. The craft group meets every Tuesday at 1 pm so if you like crafts, you need to be here. This month's Book Sale is Saturday October 20 from 9:00 to 1:00. Happy Thanksgiving!

### From the Editor's Desk

Don't forget October 22 is municipal Election Day. Voting this year in all 3 local municipalities is by internet or phone. Voting starts on Tuesday October 9 and closes on Monday October 22 at 8:00 pm. Results will be announced after the polls closed. It shouldn't take too long for the ballots to be "counted". It is automated after all!

It is so important to vote in municipal elections. The local government delivers so many services we take for granted such as roads, garbage, recreation centres, fire services and a host of other items we use in our daily lives. The Kinmount Fair is over for another year (along with summer!). It takes a ton of volunteers to put the Fair on and I want to thank all those who volunteered their time to make the Fair a success. I usually don't single out individuals for fear of missing people, but I want to salute Ruth McBrien who has been demonstrating sewing in the Heritage Display for well over 30 years! Ruth, who is on the correct side of 90 years of age, was one of the first participants in the Pioneer Display tent way back in the 1980s. A big thanks to all the other volunteers in the Heritage Display. May you continue as long as Ruth!

The Kinmount Fair has a big celebration coming up in 2020. The Fair will be celebrating out 150<sup>th</sup> edition! Special events are already being planned. The first stage of our sesquicentennial mural was displayed at the past fair. Two more panels will added before 2020. The Fair is also planning a history book for the sesquicentennial. The editor has started to collect photos and items chronicling the story of this local institution. If you have any items, please don't hesitate to contact the editor or any member of the Fair Board of directors. The Victoria Pony Club has just ended another season of competition. Congratulations to the following member and their achievements at the Central Ontario Region Year End Championships: Khloe Barrett: Show Jumping – Champion; Dressage – Reserve Champion  
Emma Picken: Dressage Champion  
Natasha Austin: Dressage Champion  
Juliana Austin : Dressage Champion, Show Jumping Reserve Champion  
Aynsley Leach: Dressage Reserve Champion  
Madie White: Show Jumping Champion  
Ryan Elley: Show Jumping Reserve Champion  
Good work riders! You made the club proud!

And congratulations also to our Prince Phillip Games "A" Division Team (Amelia Austin, Juliana Austin and Madie White who finished 4<sup>th</sup> in the PPG national championships while representing COR. And finally, kudos to Amelia Austin who has earned her way onto the Canadian National PPG Games team! Amelia will be competing in the world Mounted Games competition in the USA next year. Amelia will be one of 5 riders from across Canada who will make up the Canadian Team. That's quite an honour for any games rider! Also, the Victoria Pony Club will be starting its 2018-2019 season sometime in October. And young riders between the ages of 6 and 25 are invited to join the club (and maybe add your name to the wall of honour listed above!)

Hike Haliburton was a resounding success this past month. With over 100 hikes executed, it was well attended. Several hikes were based in Kinmount. The editor narrated the "Waterfalls of Kinmount" tour and climbed the Snowdon Hills as part of the "Iron Mine" gambol. There was lots of history, geography and Nature on display. Watch for the offerings for 2019 next year. They are well worth the effort. GS
